

## **Bernard Langford**

Bernard joined the Shropshire Hope Organising Team in May 2016. Having spent 35+ years educating and training accountancy students he recently retired as a University Lecturer.

Bernard moved to Shropshire just over 12 years ago.

His walk with the Lord has been 40 years in the making and has, in the main, been in an evangelical, charismatic context.

He has over the years been involved in House-group Leadership, Men's Ministry, Messy Church, a Debt Counselling start-up, and has organised Outreach Events and Prayer Ministry.

Bernard's outstanding organisational skills honed in an educational environment will add considerable expertise and value to the Shropshire Hope Team.

We're delighted Bernard has joined the Team and with his heart for prayer we know he will help us in our desire to see God's Kingdom increase in Shropshire, Telford & Wrekin.
