SATURDAY 25 MARCH 2017 | 09:00 for 09:30

Investing in future generations

One of the key aims of Shropshire Hope is to facilitate the spiritual and practical development of those involved in Christian Youth & Children's Ministry.

We held our first breakfast event in 2016 with an opportunity for Youth Leaders to meet and share together and hear from **Ray Thomas** who works with South West Youth Ministries (SWYM).

In 2017 we're delighted **Matt Summerfield** will be our guest speaker at the "**We love our Youth Worker**" breakfast on **Saturday 25th March**. Matt is currently CEO of Urban Saints (soon to be their first President) and he's also Senior Pastor of Hitchen Christian Centre. He is passionate about releasing the potential of young people to live out God's great adventure for their lives.

The event is being co-sponsored by Youth Ministry Network and supported by the Denominational Church Leaders but you can help us in the following ways:

1. **Encourage** everyone involved in youth and children's ministry in your church/fellowship to come along. That includes paid or voluntary youth/children's workers - and even those who supervise them
2. It's a **FREE** event - but obviously it costs us to put it on. Please consider either:
 - a. Sponsoring your church's youth/children's worker(s) to come. A donation of £15:00 per person would help cover the costs
 - b. Making a donation so that someone from another church/fellowship could come
3. **Publicising** the event: on your church noticeboards or website. We have posters available - **email us** to request more information and artwork

You can find out more by going to the Shropshire Hope website - **click here** for the Youth Leaders Breakfast tab.

Thanks for helping us invest in future generations.
